To: Martin J. Gruenberg, Acting Chairman FDIC Board of Directors

I'm writing to urge you to reject WalMart's attempt to start a bank. A bank owned by WalMart would be an unsafe amount of power for the richest company in the country, a company that has a history of labor abuses. In addition, a Walmart bank would be a threat to community banks and undermine local economies.

Please attend the community hearing and listen to the concerns of the public.

Sincerely,
Phil Moll
